

# **Accessibility Statement**

Effective date: January 20, 2026   Last updated: February 16, 2026

Shiner Dental, PLLC is committed to providing a website that is accessible to the widest possible audience, including individuals with disabilities. We strive to improve the user experience for everyone and to apply relevant accessibility standards.

## **Accessibility features and assistance**

- We work to make our website usable with assistive technologies such as screen readers and keyboard navigation.
- We aim to provide clear structure, readable text, and accessible forms where feasible.
- If you encounter an accessibility barrier, we will make reasonable efforts to provide the information you need in an alternative format.

## **UserWay accessibility tool**

Our website provides an on-page accessibility widget powered by UserWay to help visitors personalize their browsing experience (for example: text size, contrast, and other options). While we use tools to improve accessibility, no automated solution can address every situation, and we welcome feedback.
